

# Shades of comfort.

MIOKO ROLF  
BENZ

# True greatness in every form.

Rolf Benz MIOKO offers simple elegance with many facets. As a modern individual sofa or a modular sofa, you can enjoy countless combination options depending on your floor layout and design preferences. The full-length seat cushion gives this sofa an irresistible clarity. High legs and connecting elements without backrests create impressive nuances of lightness. There are no limits to your individual comfort requirements, starting with the firmer "Classic" upholstery or the decidedly casual "Lounge" variant. Moreover, you are free to choose your options with two seat depths and heights, two side section heights and two different backrest formats.

Cover: 28.401 / 17.400 / 24.159  
Legs: RAL 7044 Silk grey

# The seven silhouettes of style.

The seven monochrome colour schemes of Rolf Benz MIOKO create an impressive ambience in your home, turning living rooms into canvases – from bright white to earthy, warm terracotta and cool night blue. The matching colours of the individual legs or brackets deliberately continue the colour schemes. The Rolf Benz 912 coffee and side tables (page 16) with their identical colour options consistently continue the visual brushstrokes of Rolf Benz MIOKO.

# Technical data.

- Wood inner frame
- Steel shaft spring system
- **Seating comfort „Classic“**  
Seat built up in layers with polyurethane foam and a high-quality cold foam, coordinated in different heights and hardnesses, with a polyester fleece covering.  
 High-quality, casual upholstery that forms waves/leaves indentations that are typical of the material. All measurements are approximate.
- **Seating comfort „Lounge“**  
Seat made of high-quality cold foam, covered with a down-like pad comprising compartments with a filling made of 90 % foam rods and 10 % polyester fibres.  
 A high-quality, especially casual upholstery that forms waves/leaves indentations that are typical of the material - this waviness may even occur in new condition. All measurements are approximate.
- Backrest made of polyurethane foam
- Backrest cover quilted with polyester fleece
- Down-like backrest cushions comprising compartments with a filling made of 80 % foam rods and 20 % polyester fibres
- Seat heights optionally 43 or 46 cm
- Seat depths optionally 53 or 65 cm
